

Companion Application Terms and Conditions of Use (TOU)

1. Presentation of the application

Companion is an alarm clock application designed to help people who have difficulty getting up in the morning. It offers a practical, everyday solution to improve the lives of its users. Available on Play Store and App Store, Companion is free to use.

2. Acceptance of Terms and Conditions

Access to or use of the Companion application implies full acceptance of the present General Terms of Use (GTU). In the event of disagreement, use of the application is prohibited.

3. Registration and collection of personal data

3.1 Data collection and use

The data collected is used for analytical purposes in order to improve the application and provide a better user experience. See our Privacy Policy for more information.

3.2 Advertising and related data collection

The application displays advertisements via the Google Ads service. These ads may use anonymous or aggregated data to personalize advertising content.

3.3 No account creation

No registration or account creation is required to use the application. No nominative information will be collected directly via the application.

3.4 Use of comments

By providing comments on the Application, you assign all rights, title and interest therein. If such assignment is legally ineffective, you grant Companion a non-exclusive, perpetual, royalty-free, worldwide license to use, reproduce, disclose, sublicense, modify and exploit such feedback.

4. Features and limitations

4.1 Warranty and liability

The service is provided "AS IS" and "AS AVAILABLE", without warranty of any kind. To the fullest extent permitted by law, all warranties, express or implied, are disclaimed, including those of merchantability and fitness for a particular purpose.

4.2 Malfunctions

In the event of technical problems, the creators undertake to resolve them as quickly as possible.

4.3 Advertising and liability

Companion displays advertisements via third-party services such as Google Ads. We cannot guarantee the relevance, reliability or legality of the content of the ads displayed. Users are advised to exercise their own judgment before clicking on or interacting with advertisements. We accept no responsibility for any harm arising from these advertisements or associated third-party services.

4.4 Intellectual property

Companion, as well as its content and functionalities, are the exclusive property of its creators. Any unauthorized reproduction or use is strictly prohibited.

5. Third-party links

The application may include links to independent third-party sites or services. The creators of Companion decline all responsibility concerning the content, practices or policies of these third-party sites. It is recommended that you consult their TOS and privacy policies prior to use.

6. Applicable law and dispute resolution

6.1 Applicable law

The application is governed by French law, in particular:

- Consumer Code: Protects the rights of consumers.
- Civil Code: Governs contractual obligations.
- RGPD: Ensures the protection of personal data.

Any dispute will be submitted to the competent French jurisdiction, unless otherwise provided by law.

6.2 European Union consumers

European users benefit from the mandatory provisions of the law of their residence.

6.3 Compliance with US laws

Use of Companion must comply with U.S. laws, including export control regulations. The application may not be used in countries under US embargo or by persons on a sanctions list.

6.4 Informal dispute resolution

In the event of a dispute, the parties undertake to attempt to resolve it amicably. All complaints must be sent in writing to the e-mail address given in the **Contact section**.

7. Suspension and termination

We reserve the right to suspend or terminate your access to the application without notice in the event of a breach of the GCU. In the event of termination, access to the service will cease immediately.

8. Modification of the General Terms and Conditions

The GCU may be modified at any time. Changes take effect as soon as they are published on the application. You are advised to consult this section regularly to stay informed.

9. Translation and interpretation

The GCU may be translated into other languages. In the event of any discrepancy, the French version shall prevail. Please consult the French version for clarification.
